<b>Student Comments</b>
<b>For Lab Leader:</b>
Chelsea explained things really well and was able to pinpoint students' confusion and give them clarity.
She was a great lab leader and made the class fun.
She was beyond helpful as she volunteered her time in helping our class outside the classroom. That is someone who is selfless and a very admirable trait of hers.
She is an amazing tutor. She always teaches up to the mark and is always active which gives students the boost to learn.
Very good teacher.
<b>For the Course:</b>
For word problems, it would be helpful if there was a guide of some sort or a video explaining how to approach the problem. I felt that frustrated me a bit since I did not have the tools in figuring it out.
<b>For Hawkes:</b>
very difficult to use. lowers grade
